To Whom It May Concern:

JL Hinds Consulting, LLC is the sole provider of *The Campus Comeback*. Our services and resources are uniquely designed for campus administrators tasked with rapidly improving low-performing schools.

The *Campus Comeback* workbook was developed by John Hinds based on 30+ years of school leadership experience and is not available through any other vendor, consultant, or training provider. The content, workbook, and support systems offered through JL Hinds Consulting are proprietary, tailored specifically for struggling campuses, and customized to meet the specific leadership needs of individual school districts.

Because this workbook is exclusive to JL Hinds Consulting, LLC, we respectfully request that JL Hinds Consulting, LLC be designated as a sole source provider in accordance with Texas Education Code purchasing guidelines.

I understand that I may need to complete your vendor paperwork if requested.

If you have any questions or require further documentation, please do not hesitate to contact me directly.

Sincerely,

John Hinds
Owner, JL Hinds Consulting, LLC
