## CAPABILITY STATEMENT

### WHO WE ARE

We are an educational leadership and coaching firm based out of San Antonio, Texas. We are all recently retired educators who have seen it all and have first-hand knowledge of what our clients are going through and how to help them be the most effective leaders possible.

Our focus on systems-management helps the campus leader build confidence in getting a handle on the enormous job at hand and putting them in a proactive mode of leading. Through executive coaching, mentoring, and instructional coaching, we provide the services with a team approach so that the campus leaders can continue to be the instructional leader yet have multiple resources as his/her fingertips.

We are a fully customizable professional development firm that believes trust, honesty, and a solid relationship benefit all involved, especially the students.

### DIFFERENTIATORS

At JL Hinds Consulting, we believe that every educational leader deserves the support they need to succeed. That's why our team of experienced educators is here to help you tackle any challenge that comes your way. Whether you need help with curriculum development, teacher training, or any other aspect of school management, we've got you covered.

Our team includes a diverse range of educators with expertise in different areas, so you can rest assured that we have the knowledge and skills to handle any task. And if we don't have the exact expertise you need in-house, we have a trusted network of independent contractors we can tap into to provide the best possible solutions for your school.

At the heart of our approach is a deep understanding of how people learn. We know that everyone has their own unique learning style, and we tailor our coaching and mentoring to meet the needs of each individual leader. Whether you're a seasoned administrator or a new hire, we're here to help you grow and succeed.

Choose JL Hinds Consulting for the support and guidance you need to lead your school to success.
